# Sponsorship Commitment

A little bit about our partner, Robert Irvine...

Robert Irvine is a world-class chef and entrepreneur, and tireless philanthropic supporter of our nation's military.

Created in 2014, the foundation gives back to our servicemen and women and first responders. Funds raised help at-need veterans and first responders in a variety of ways: training service dogs, making mental health and wellness services available, providing mobility devices for the disabled, and much more.

Thank you for your commitment to the Service Credit Union Impact Foundation to sponsor and support our 2020 Golf Charity Classic. This commitment will be utilized by the Service Credit Union Impact Foundation in partnership with the Robert Irvine Foundation to support veterans in our local community and nationwide.
