IMPACT
FOUNDATION

4th Annual **GOLF CHARITY CLASSIC**

August 29, 2023

**Wentworth by the Sea
Country Club
Rye, NH**

The Service CU Impact Foundation promotes community development by funding initiatives that deliver solutions and solve problems facing Service Credit Union's membership and the communities in which we serve, particularly in three philanthropic focus areas: education, human services, and emergency care for veterans and military.

100% of proceeds raised by the Service CU Impact Foundation makes an impact; every dollar raised is a dollar donated.

Since its inception in 2020, the foundation has raised more than \$1.1 million through its annual golf tournament, annual gala, employee donations, and a raffle that launched at the end of September 2022. Because of you, we are making a difference across New Hampshire and beyond thanks to our partnership with the Robert Irvine Foundation. We are grateful for your support and look forward to continuing to make an impact with you!

The Robert Irvine Foundation supports and strengthens the physical and mental well-being of our service members, veterans, first responders, and their families.

They provide these heroes with life-changing opportunities that unlock the potential in their personal and professional lives through food, wellness, community, and financial support.

About Robert Irvine:

Robert Irvine is a British Royal Navy veteran, a world-class chef, and entrepreneur, and a tireless philanthropic supporter of our nation's military, veterans, and first responders. As the host and Executive Producer of the Food Network hit show *Restaurant: Impossible*, he has given struggling restaurateurs a second chance to turn their lives and businesses around in over 300 episodes and counting.
