In Partnership With

**ROBERT  
IRVINE**  
FOUNDATION

In 2024, the Impact Foundation raised more than \$1,150,000 to impact the communities we serve in three focus areas: scholarships for students, affordable and safe housing across New Hampshire, and support for veterans, military and first responders.

Since its inception in 2020, the Impact Foundation has provided more than \$2.8 million in grants and scholarships to support education, housing, and those who served and continue to serve our nation.

# ROBERT IRVINE FOUNDATION

The Robert Irvine Foundation supports and strengthens the physical and mental well-being of our service members, veterans, first responders, and their families.

They provide these heroes with life-changing opportunities that unlock the potential in their personal and professional lives through food, wellness, community, and financial support.

Robert Irvine is a British Royal Navy veteran, a world-class chef, entrepreneur, and a tireless philanthropist. As a host and Executive Producer of the Food Network's hit show *Restaurant: Impossible*, he has given struggling restaurateurs a second chance to turn their lives and businesses around in over 300 episodes.

# The Impact

Our generous supporters made it possible for the Impact Foundation to raise \$500,000 in its fifth year to support veterans, military and first responders in New England and beyond. Thanks to our longstanding partnership with the Robert Irvine Foundation we are creating a greater impact, expanding support nationwide by providing American heroes with mobility devices, service dogs, food vouchers and so much more.
