JIMMY'S JAZZ & BLUES CLUB
PRESENTED BY  TruStage™

SERVICE CU IMPACT FOUNDATION BOARD OF DIRECTORS

Since its inception in 2020, the Impact Foundation has raised more than \$4 million through its annual golf tournament, annual gala, employee donations and cash raffle. Every dollar donated directly supports education, housing, veterans and first responders.

We are grateful for your support!

THE EVENING

Follow the yellow brick road to a magical night...

Cocktail hour begins at 5:30pm with mingling, small bites and entertainment, followed by an exquisite meal. Guests will enjoy complimentary cocktails, connection, raffles, an auction, plus an impactful program.

WMUR News 9 Daybreak Anchor Katherine Underwood will once again guide us as our emcee, bringing her warmth and energy to the stage.

There's no place like home

The true magic of the evening is knowing that, together, we are helping families find the stability and comfort of a home of their own.

As the evening unfolds, we'll be reminded that when a community comes together, the path forward is clear, like following a yellow brick road toward a brighter future.

THE IMPACT

Making a Bold New Impact in 2026

In the spirit of new adventures, just like Dorothy setting out on the yellow brick road, the 5th year of Service CU Impact Foundation's annual Spring Gala is embarking on a new and exciting journey.

This year, rather than spreading our impact across many initiatives, we are uniting together with our supporters behind one extraordinary goal: **to build a home that will change lives for families right here in New Hampshire.**

Partnering with Southeast New Hampshire Habitat for Humanity, we're focusing our efforts on raising walls, laying bricks, and opening doors to a place where families can truly say: *There's no place like home.*

From Many Roads to One

This year, every dollar raised will support the creation of a two-family, energy-efficient duplex in southeastern New Hampshire, providing life-changing stability and safety for families who will soon call this house their home. This project will serve as a lasting model of sustainability and community impact.
